How to Make it

A booklet of toys and furniture you can make at home for preschool children who are multiply impaired. **\$3.00 Paperback**

"Lessons" With A Child Who Is Blind By Michael Brambring

This book presents an account of one family's experiences in rearing their daughter Christina who is congenitally blind. It is an outcome of their cooperation with the early interventionist who visited them regularly to help them with this task. The account is built around letters written to the parents after each early intervention visit. These provide a chronological account of their daughter's development path. Translated from German. **\$20.00 Paperback**

Learning to Look By Donna Heiner Ed.D

This book for parents of children who are severely visually impaired contains specific suggestions on how to help your child use what vision he or she has or may have. **\$9.00 Paperback**
